Riverside Voters Have Options for Ensuring Votes in Nov. 5 Election Get Counted

Ballots Can be Dropped Off at Multiple Locations Up to and Including Election Day

RIVERSIDE, Calif. – Riverside residents who are permanent vote-by-mail voters or who requested a vote-by-mail ballot for the Nov. 5 election are advised not to mail the ballots this late as they will not arrive at the Registrar of Voters Offices by 8 p.m. to be counted on Election Day.

Instead, voters are encouraged to take advantage of numerous locations around the city where ballots can be dropped off to ensure they are part of the official count.

Affected voters include Riverside residents registered to vote in City Council Ward 3 and those within Trustee Areas 1 and 5 of the Riverside Unified School District.

Options for voters still in possession of a vote-by-mail ballot include:

- * Return the ballot at any Riverside County polling place on Election Day from 7 a.m. to 8 p.m.
- * Drop off the ballot at the Riverside City Clerk's Office on Election Day from 7 a.m. to 8 p.m.
- * Drop off the ballot at the Registrar of Voters' Office on Election Day from 7 a.m. to 8 p.m.
